SO ORDERED:

  
The Honorable Harold Baer, Jr.  
United States District Judge

① Either you didn't account for cross country discovery although you knew very well that the case would entail just that.

or  
② you weren't listening when I went thru my letter about how you got to pick the dates but as for trial month it doesn't change.

or  
③ You don't care, albeit on 7/6/07 you were both here & both signed the PTSC.

④ All that being said we will be going to trial in September all other dates are more flexible - but of course if you will be moving for S/S etc I need 60 days to decide but decide or not we will be going to trial in September. She seems to want another month = July 13 for motions & a late September trial. Discovery may continue up to filing of motions

4. All that being said we will be going to trial in September all other dates are more flexible but of course if you will be moving for summary judgment etc. I need 60 days to decide but decide or not we will be going to trial in September. This seems to allow another month, ie., July 13 for motions to a late September trial. Discovery may continue up to filing of motions.
